TO PURCHASE ARMORY.

State Now Paying \$900 Annual Rent for Building.

Local people are interested in a bill introduced in the legislature by Representative E. H. Keach of Killingly advocating the purchase by the state for \$15,000, of the local armory. The armory was built by E. L. Palmer and used by the state troops for several years under a rental agreement. For the past five years the state has been paying a rental of \$300 a year for the use of the building as an armory, the payment of the heating and lighting falling on the local military company. The building is still held in E. L. Palmer's name, but is involved in fore-diosure preceedings to come before the superior courf at the March term. The building was interiorly remodeled five years 150, is in good condition, and the proposition that it be purchased by the state is regarded as an excellent one Local people are interested in a bill proposition that it be purchased by the state is regarded as an excellent one as an investment and from other standpoints. It will undoubtedly continue to be the home of a military company for years, during which the state would pay in rent an amount equal to the price at which it is offered for sale.
